it's **never** just *editing.*

8 steps, one reel.

Behind every 30-second reel. Swipe through the timeline.

SWIPE →

01 / 08

brief.

From: Agency 09:12

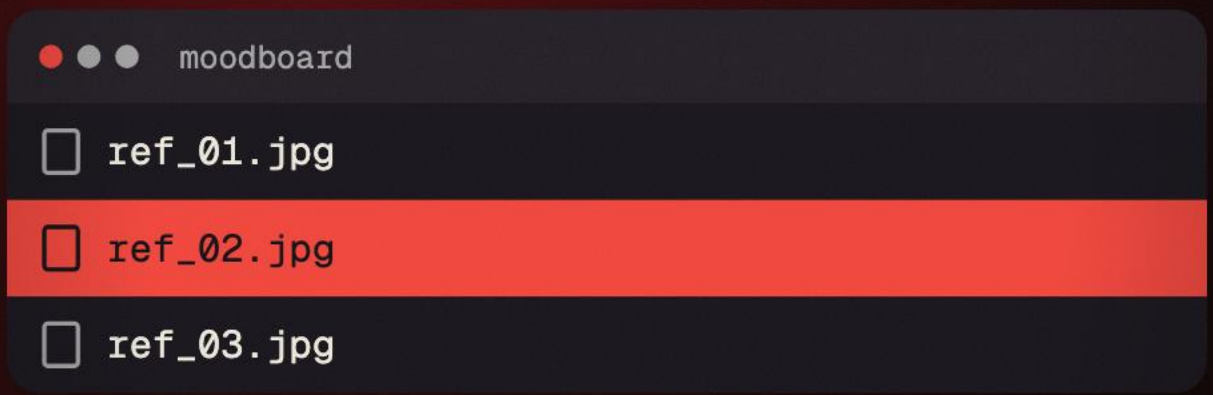

New reel

30s, Instagram, launch week.

What it's for, where it runs, who's watching.

02 / 08

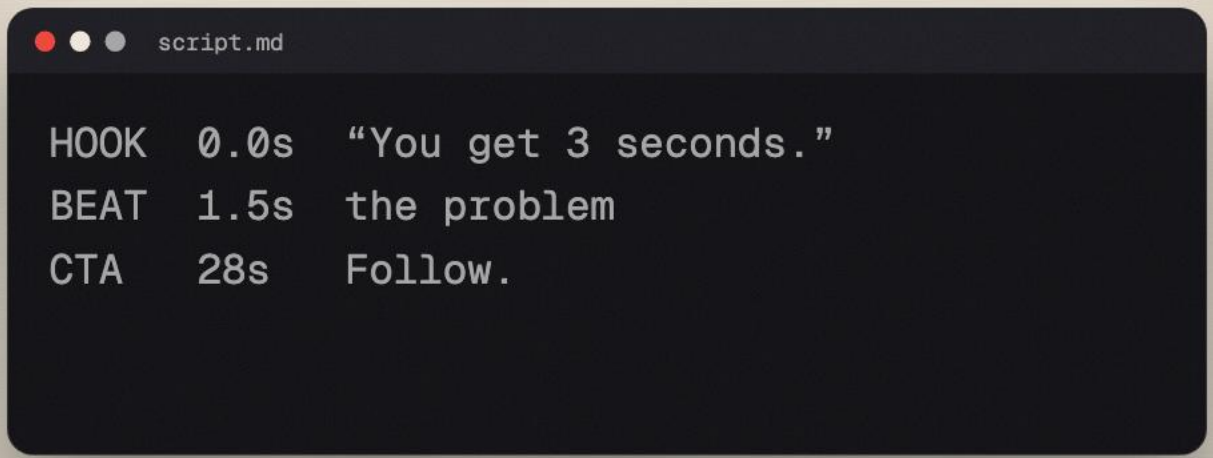

references.

A moodboard before a single cut.

03 / 08

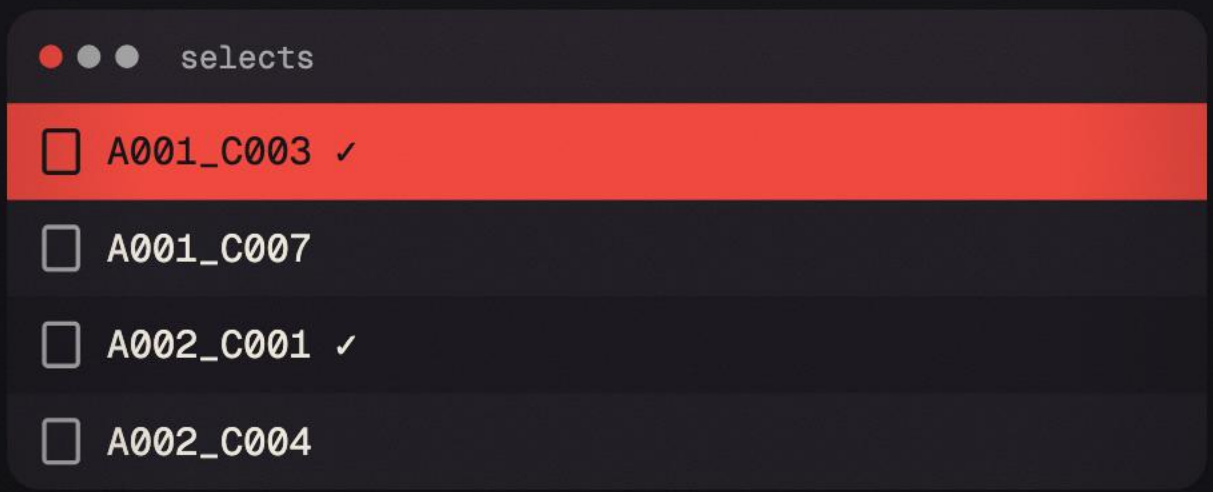

hook + *script.*

The first 3 seconds get written first.

04 / 08

selects.

Hours of footage down to the best few minutes.

05 / 08

rough cut.

Story first. Pretty later.

06 / 08

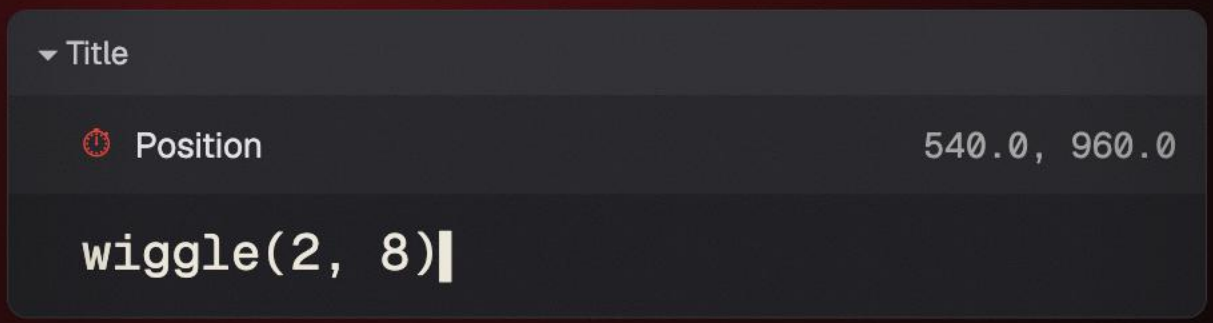

sound.

Music cut to the story. An SFX on every hit.

07 / 08

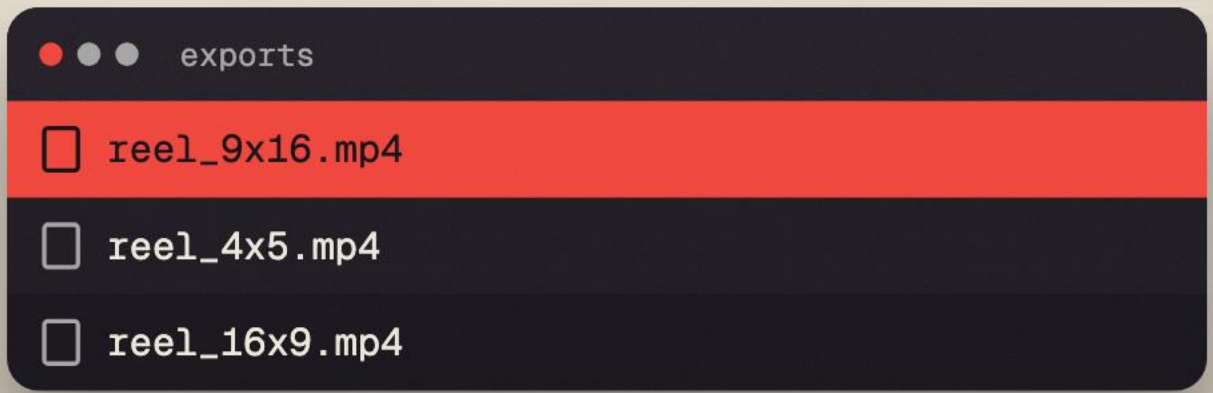

type + *motion.*

Captions, titles, graphics that move with the cut.

08 / 08

colour + export.

Grade, QC, then every format the brief asked for.

that's why “small changes” are never small.
