How a 2-person studio runs on AI

And what AI never touches.

our dashboard.

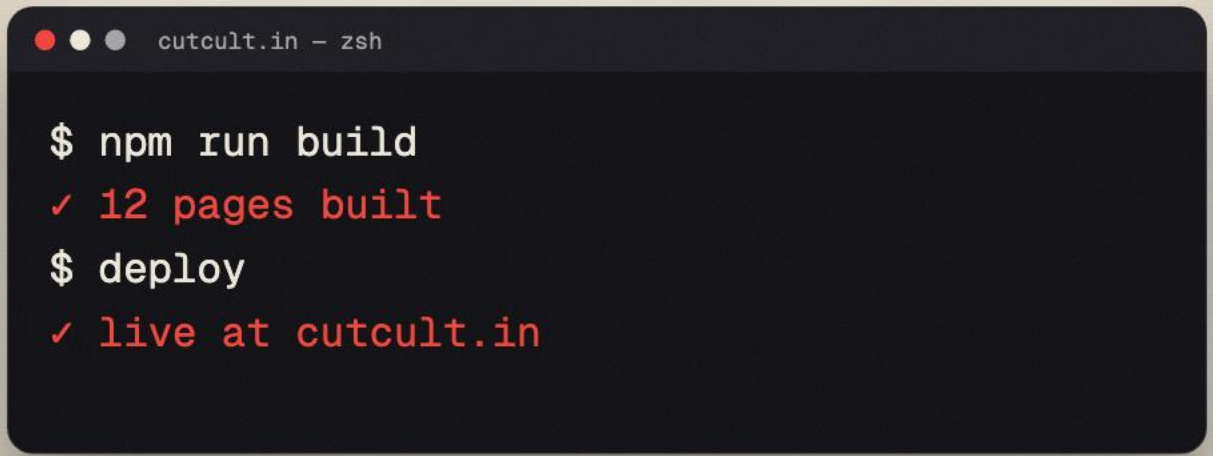

Tasks, clients, hard drives, subscriptions. Built with Claude. ₹0 a month.

this *post.*

Planned, drafted and scheduled with Claude. We approve every single one before it goes out.

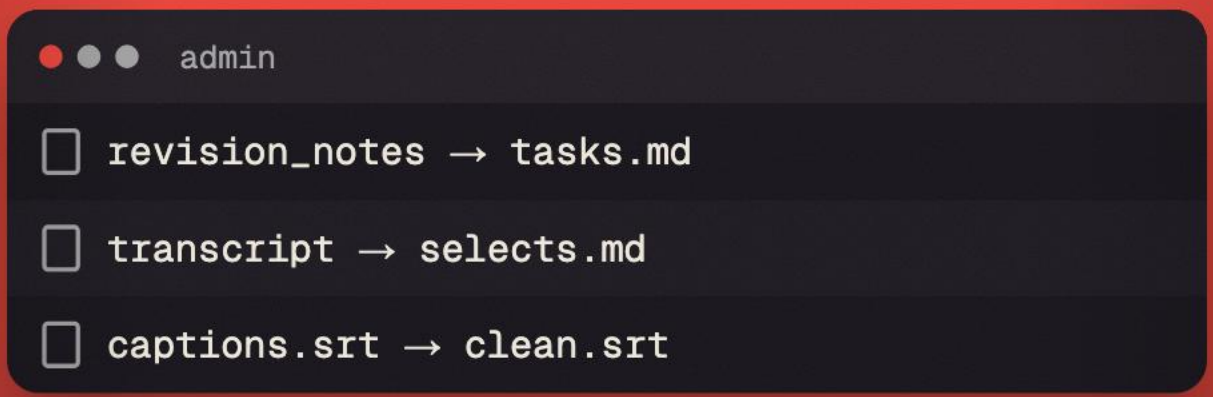

our website.

cutcult.in, built from scratch with Claude. We wrote every word.

the *boring* admin.

Revision notes into task lists. Transcripts into selects. SRTs cleaned.

what AI never touches.

The cut. The story.
The taste. That part
is ours.

AI does the busy work.
we do the cut.

Follow @cutcult.in for how we set each one up.
