5 Claude prompts that save editors 2 hours a day.

Copy them. They're all in the caption too.

brief → shot list

PR **Prompt** COPY

"Turn this brief into a numbered shot list for a 30s vertical ad: shot, duration, on-screen text, and what to ask the client."

REPLY · RESOLVE

notes → task list

PR **Prompt** COPY

"Merge these revision notes from 3 people into one numbered list with timecodes. Flag notes that contradict."

REPLY · RESOLVE

transcript → *selects*

PR **Prompt** COPY

"Pick the 6 strongest lines for a 45s reel, in story order, with in and out times."

REPLY · RESOLVE

messy SRT → clean

PR **Prompt** COPY

"Max 32 characters per line, 2 lines per caption, keep every timecode, fix spelling, don't change the words."

REPLY · RESOLVE

the *hard* email

PR **Prompt** COPY

"Friendly reply: we'll do this round, extra rounds after this are a new estimate. No apology tone."

REPLY · RESOLVE

AI does the busy work.
we do the cut.
